

**Albany Project HOPE**  
**Homeless Outreach and Engagement Program**  
**Berkeley Food and Housing Project Narrative Report to City Council**  
**Apr 2020 – Jun 2020**

**Activities To-Date**

The Housing Navigation team continues to support clients accessing Rapid Rehousing through Albany Project Hope. This includes three clients residing in an Oakland residence, a client in Alameda, and three clients occupying the master leased residence in Richmond. The Housing Navigators have supported all clients in applying for additional subsidized housing opportunities and have tended to the individual needs identified on each client's housing stability plan. This quarter, additional care was taken to support clients in applying for unemployment income after two clients were terminated from employment due to COVID-19. In order to financially support all households in maintaining financial stability, Albany Project HOPE issued full rent coverage for all Rapid Rehousing clients beginning April 2020.

As stated in the previous quarterly narrative, Albany Housing Navigation has continued to support a client in Rapid Rehousing who received a Permanent Supportive Housing match for senior housing in Berkeley, CA. Due to COVID-19, all intakes at this housing location have stopped. This quarter, Albany Project HOPE Housing Navigators advocated for the client's urgent permanent housing needs and requested alternative intake options. The senior housing location and the City of Berkeley are considering other intake possibilities. The Housing Navigation team continues to advocate for this client's immediate permanent housing needs.

Housing Navigation has also continued to support three clients accessing RRH in a master leased house in Richmond. The team has engaged in regular weekly in-person check-ins with the household and supported the clients with shared living skills. Additionally, Albany Housing Navigators have supported the clients in increasing their income and acquiring necessary documents for Permanent Supportive Housing. The Housing Navigators have worked collaboratively with the Homeless Action Center, a legal clinic that focuses on income and benefits advocacy, to support the clients in accessing disability income.

This quarter, the majority of outreach engagement has focused on clients residing in motels with assistance from Project HOPE. Housing Navigators supported clients by providing Personal Protective Equipment (PPE), such as gloves and masks, and demonstrating the proper use of PPE. Housing Navigators have also provided information on best practices for sanitation, hand washing, and social distancing when leaving the motel for necessary trips, such as grocery shopping. In order to ensure that clients remained indoors during COVID-19, the Housing Navigators and additional BFHP staff supported clients in relocating to new motel locations as needed. The Housing Navigators worked with motel management to ensure a positive experience with their participation with the Project HOPE program.

This quarter included 23 total clients enrolled into Housing Navigation, with one exiting after securing permanent housing and two exiting after they left their motel rooms without contact. There were also a total of 3 individuals enrolled into Outreach. All clients who accessed motel

assistance through Albany Project HOPE were enrolled into Housing Navigation and provided Housing Stability Plans to support with their long-term housing goals. The 3 clients stamped into Outreach declined motel assistance or were non-responsive to offers of motel assistance.

## **Successes**

This quarter, Albany Project HOPE supported several households in transitioning from the emergency motels to long-term housing. The housing successes include Rapid Rehousing and Permanent Supportive Housing. The Housing Navigators supported two clients with subsidized housing vouchers in securing long-term units. Both clients received assistance with furniture, household items, deposits, and other move-in costs. Housing Navigators also assisted clients with move-in logistics, such as lease signing and establishing utilities for their new addresses. One client exited the Albany Project HOPE program to receive tenancy case management from City of Berkeley's Aging Services. The other client will continue to receive tenancy support from Albany Project HOPE.

Additionally, Housing Navigators supported two clients in moving out of motels into Rapid Rehousing. The Housing Navigators identified and applied for appropriate units for both clients, and also communicated with property owners to advocate for their clients' housing needs. Similar to the permanent housing successes, Housing Navigators helped clients acquire household items and furniture. Albany Project HOPE also assisted with move-in costs, and one client's move-in included a financial incentive for a property owner who is participating with the program for the first time. All households will begin their leases in July 2020.

In addition to these housing successes, the Project HOPE program has also offered motel assistance for three client households with independent long-term housing plans. Two clients plan to access residential programs for seniors and adults with disabilities, and another is working with City of Berkeley Aging Services on applying a Section 8 voucher to long-term housing. While these clients work with their families and outside case management to secure long-term housing, the Project HOPE program has ensured their housing safety during COVID-19 by utilizing motel assistance.

Lastly, the use of motel assistance has been enormously successful in helping maintain the safety and health of Albany clients. The stabilization offered by the motels allowed Housing Navigators to create Housing Stability Plans and identify each client's immediate needs. For example, the Housing Navigators supported two clients with disabilities in applying for In Home Support Services to receive in-home caregiving assistance. The stability offered by the motel made the application process easier, and allowed the clients to provide an address for IHSS services. Most importantly, the use of motel assistance provided reassurance that clients will be safe, allowing Housing Navigators to focus on housing during these difficult and uncertain times.

## **Challenges**

The primary challenges of this quarter are largely due to COVID-19. Housing Navigators have endeavored to support all clients in accessing Permanent Supportive Housing, but the process has been impacted by closures in social services, Social Security Administration, and the Department of Motor Vehicles. These closures have significantly impeded efforts to help clients replace IDs, social security cards, and other documents that are required for Permanent Supportive Housing programs. Housing Navigators have contacted legal clinics for assistance with these processes, with some success. However, there are still significant barriers and wait times for clients to access basic documentation.

Additionally, the current state of shelter-in-place has slowed progress with other clients who have secured subsidized housing matches. While their matches to permanent supportive housing are still valid, there is uncertainty about the timeline of helping clients move into permanent housing.

**EXHIBIT D**

**BFHP Albany PROJECT PERFORMANCE MEASURES FY 19-20 – Quarter 4**

Due on the 15<sup>th</sup> of each month following the quarter

<b>Project Performance Measures and Targets</b>				
<b>Performance Measure</b>	<b>Target</b>	<b>Progress/Activity this period</b>	<b>Year to date statistics</b>	<b>Comments</b>
Outreach contacts (unduplicated contact with a new client)	60	4	37	Many outreach contacts were duplicates from previous year. COVID-19 also significantly slowed outreach engagement.
Performed initial intake/enrollment	40	4	17	Similar to outreach contacts, client engagement included contacts from previous year.
Number of housing case plans performed	25	9	34	
New Clients Housed (RRH)	12	5	24	
Master Leasing – New clients housed	10	0	3	Albany Housing Navigators hoped to secure 2 <sup>nd</sup> house for Master Leasing. This search was paused after COVID-19.
Clients maintaining housing for 6 months	8	7	7	While new clients have accessed RRH, they have not reached the 6 month mark.
*Clients maintaining housing for a year	7	3	3	There are several clients who accessed RRH in Q3 and Q4, but have not reached the 1 year mark.

Clients exited from Aftercare program	6	1	3	There are several RRH clients still working toward Permanent Supportive Housing to exit from RRH. Housing Navigators are working to support their transfer to permanent housing.
New Clients - prevention	6	0	3	Albany Project HOPE did not receive eviction prevention request during Q4, most likely due to moratoriums on evictions after COVID-19.
Clients receiving flexible housing subsidy for move in costs	10	2	17	
Clients served with Landlords incentives	12	0	9	Several clients moving from motels to RRH received landlord incentives, but it will be tracked for 20-21 Q1.

\*This measure duplicates clients in the measure above. It includes only non-exited clients.

**Albany Project HOPE**  
**Homeless Outreach and Engagement Program**  
**Berkeley Food and Housing Project**  
**Client Survey Results**  
**July 2020**

BFHP administered a client satisfaction survey to clients during the last quarter of FY 2020. The clients had the option of including their names, or responding anonymously. We received responses from four clients. Of these clients, four indicated they were in the process of receiving services.

All of the clients had received help with housing.

Table 1 shows the client response to items that included a Likert scale response (ranging from 1-strongly disagree to 4-strongly agree). It shows that respondents largely agreed or strongly agreed to these items, demonstrating high satisfaction with services provided. Importantly, there is high agreement with the belief on the part of respondents that they have a say in their services.

Table I. Client Satisfaction with Services

Survey Item	Agreed	Strongly Agreed
1. I like the services that I receive from this organization.	3	1
2. I feel like I have a say in my services.	3	1
3. Staff have helped me set goals for myself.	3	1
4. I receive the kinds of services that I want and need.	3	1
5. Staff returned my calls.	3	1
6. Services were available at times and places that were good for me.	3	1
7. Staff believe that I can grow, change and recover.	3	1
8. I feel comfortable asking questions about my services.	3	1
9. I feel free to complain when I am not satisfied.	3	1
10. I was given information about my rights.	3	1
11. Staff respect my wishes about confidentiality.	3	1
12. Staff help me obtain information I need concerning my needs and benefits.	3	1
13. My case managers listen to what I have to say.	3	1
14. My case managers help me to set goals for myself.	3	1
15. I participate in my service planning.	3	1

Source: BFHP client satisfaction survey Spring 2020

Table 2 provides the average response to the next block of items, using the same scale. These items address how clients felt about the services they received. Again, the average response was a score between 3 (agree) and 4 (strongly agree).

Table 2: Reception of Services

Survey Item	Agreed	Strongly Agreed	No Response
16. Staff have respected my wishes about who is, and who is not, to be given information about my services.	3		1
17. Staff are sensitive to my cultural / ethnic background (race, religion, language, etc.)	2	1	1
18. I can have the life I want, despite my recent challenges/problems.	2	1	1
19. I feel like I am in control of my services.	2	1	1
20. My wishes are respected about the amount of family involvement I want in my services.	3		1
21. The services I receive are helping to resolve my problem(s).	3		1
22. I would recommend this organization to a friend or a family member.	2	1	1

Source: BFHP client satisfaction survey Spring 2020

Table 3 provides the average response, using the same Likert four-point scale, to items addressing how the client feels about progress they have made since working with BFHP. The items were preceded by the statement “Since working with this agency...” Again, the scores show high agreement.

Table 3: Progress Made Since Working with BFHP

Survey Item	Agreed	Strongly Agreed	No Response
23. I deal more effectively with daily problems.	2	1	1
24. I am better able to control my life.	3		1
25. I am better able to deal with crisis.	3		1
26. I am getting along better with my family.	1	1	2
27. I do better in social situations.	3		1
28. My problems are not bothering me as much.	3		1
29. I feel I am coping with life better.	2	1	1

Source: BFHP client satisfaction survey Spring 2020

Clients had the option to add written comments at the end of the survey.

Table 4: Open-ended Comments

I just want to thank your whole company – Albany & BFHP. This is a god send to me.  
I got to be more independent since working with this agency.

I'm pretty happy with my overall situation right now.

Source: BFHP client satisfaction survey Spring 2020

**In summary, while the number of responses was low due to COVID, those clients that did complete the survey showed a high degree of satisfaction with the services they receive, their relationship with BFHP, and their progress since having received BFHP services.**
